Re: Frank Parlato, Jr.

Dear Judge Arcara,

I am writing to you in support of Mr. Frank Parlato, Jr. I met Frank in the late 1980's as we both served on the Board of Helping Hands Soup Kitchen in Buffalo.

Frank greatly influenced my career as he helped me get into the Real Estate business. We later worked together in the early 2000's on several political initiatives.

I have known him to be a good family man, a friend to many and a generous person. I hope you will treat him with leniency and understand he is a truly upstanding person and a gentleman.

Sincerely,

Charlie Flynn
